

REMARKS

This application is the United States national stage application based on International Application No. PCT/NZ2005/000054.

With this amendment, claims 1-19 are pending. Claims 1-19 of International Application No. PCT/NZ2005/000054 have been amended to remove multiple dependencies to reduce attendant claim fees and to make the claims consistent with U.S. patent practice, and not for any reasons related patentability.

Entry of this amendment prior to the calculation of the filing fee is respectfully requested.

An abstract corresponding to the abstract published in International Publication No. WO 2005/092260 A1 has been added at the end of the application following the claims.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Timothy B. McBride', is written over a horizontal line.
